

Sturgeon MD Handles Heavy Agenda

The public works committee reported to the April meeting of Council of the M.D. of Sturgeon on the road complaint by Adby Construction, stating that in the committee's opinion, no damages had been done to the fences, nor any caving on Mr. Adby's property. Mr. Gaumont assured the committee he would restore the road allowance to its original condition. The matter of the access road to F. J. Adby's property was referred to the councillor for the area for his consideration.

Councillor Wilson reported to council on the meeting which he and Mr. Walker had attended on a proposed north east water pipeline. Plans as first submitted for this line were not approved by the committee. He stated that the meeting approved an amendment to the plans so that the water pipeline would cross the river at Fort Saskatchewan between the two bridges to Victoria Trail, and follow this trail to Boysdale Campsite, cross the Sturgeon and then follow the new railway spur to the Imperial Oil fertilizer plant. The M.D. Council appointed Mr. Wilson and Mr. Walker to the north east water board

LEGAL RESERVOIR

Mr. Van de Walle reported to the council on the public works committee meeting

with Mr. Rice of P.F.R.A. at Westlock on April 8. Mr. Rice stated that if this Municipality would submit the outstanding account of \$1,227.75 to his office there is a good possibility that P.F.R.A. would recognize the bill in its 1968 budget. He also informed the committee that to complete said reservoir would cost approximately \$1,500, and this expenditure would be considered in the P.F.R.A. 1969 budget.

The Village of Legal is to be informed accordingly and notified not to carry out any additional work on the reservoir unless receiving P. F.R.A.'s approval.

MONTHLY STATEMENTS

Council moved that the minutes of the annual ratepayers meeting held March 2nd be received. Payments of accounts of general and public works were authorized as submitted by the secretary-treasurer.

Monthly financial statement for month ending Mar. 31 was approved:
Net balance at the end of previous month, \$222,463.58
Receipts for the month, \$74,946.30; Sub total \$297,409.88. Less disbursements for the month, \$53,853.37; Net balance at end of the month \$243,556.31

EXPENDITURE CONTROL

The secretary-treasurer submitted the following report: Expenditures to date: General government - \$19,364.52, Protection to persons and property - \$5,374.53; public works - \$107,500.87; Health - \$7,355.87; Social Welfare - \$3,992.09; Capital Expenditures - \$22,445.00; Miscellaneous - \$966.41.

TOTAL - \$166,999.29

PUBLIC WORKS REPORT

Chairman Van de Walle read the minutes of the committee's meetings on April 3 and 8. Letter from the minister of highways was heard on the access road to the Reg. Nelson property and secretary was requested to inform Hon. G. Taylor that the road will be considered by council at such time as this year's construction of the main truck road is completed.

Council considered a letter from Mr. L. Gilbert of the engineer's department of Consolidated Concrete Ltd. He requested permission to haul 72,000 pound loads on municipal roads, stating his company is prepared to accept financial responsibility for any extra maintenance, gravelling and dust control costs which this haul would cause. Council decided to invite Mr. Gilbert

Youth Enjoy Tremendous Trip

MORINVILLE - 57 young people from Morinville enjoyed a marvellous trip to Vancouver, Nanaimo and Victoria during the Easter holidays. The Morinville Youth Recreation Committee sponsored the trip and six adults together with Father Beaupre accompanied the group, all of whom were students from Thibault School in Morinville.

They left Easter Sunday by C.P.R. and first stop was the Georgian Tower Hotel in Vancouver on Monday. After an evening of fun at the Cave they left the next day by B.C. ferry for Nan-

aimo, and a short visit. They carried on by bus to Victoria for two days at the Dominion Hotel. While in Victoria arrangements were made for the Morinville youth to meet with a group of young people at St. Jean Baptist Parish for a pleasant social evening. They also took a bus tour of the city and visited the famous Butchard Gardens, before leaving Victoria April 18.

Travelling again by ferry they had an opportunity to see beautiful Vancouver by bus as well. Then from Thursday to Saturday the group were invited into the

homes of a number of families at Maillardville, B.C. During their visit they had a chance to tour the Alberta Wheat Pool and also attended a social evening held in their honour by the youth of Maillardville.

They returned to Morinville Sunday evening, April 21 after a grand Easter holiday during which they saw many new places, met many new friends and combined an educational experience with a thoroughly enjoyable series of events which they will long remember.

A Clean Village is a Safe One

LEGAL—The Council of the Village of Legal have declared the week of May 6 to the 11 as clean-up week.

Fire chief Ralph St. Jean is asking residents to make this clean-up week a success by calling upon all citizens to rid their property or properties of trash and rubbish which may be a breeding place for fires. He advises that most fires occur in storage areas, such as attics, closets and basements and that a simple clean-up could eliminate many fire hazards.

Spring always brings fire dangers watch for all paint removers and cleaning solvents and never use flammable liquids indoors and get rid of old soaked rags and containers.

Please do not attempt to burn grass or any rubbish by yourself, call your fire department for your protection, they will be pleased to assist you.

The village equipment and a man will be available during clean-up week to haul any rubbish, waste, etc., please place anything not needed in your lane and they will see that it is hauled away.

PLAY IT SAFE

Springtime brings on a restless urge to get out of the house to run a quick errand, or to share a cup of coffee with a neighbour.

Fine, but don't leave small children alone in the house while you're out.

Hundreds of children die in fires each year because parents left them alone.

Sometimes the children start fires while playing with matches or stoves, other times fire simply chooses this moment to strike.

For your children's safety always take them with you when you leave the house or put them in charge of a competent older family member or babysitter.

Play it safe and you'll never be sorry.

Loss of life in fires is very high each year; be wise and protect yourself and your loved ones.

Section 10 (3) of by-law 296 for the fire prevention of the Village of Legal prohibits a person from storing flammable liquids in excess of five gallons within the limits of the Village in containers other than con-

tainers contracted of metal and approved for flammable liquids.

Legal has two fire trucks and 16 trained men in the village for your fire protection. If they can be of any service do not hesitate to call upon them.

Ralph St. Jean
Fire Chief
Legal Fire Department.

Chalifoux Hits Campaign Trail

Mr. Paul Chalifoux has made arrangements for full time campaigning from now to election time, having booked off his teaching duties for the interval.

He has opened a campaign office in the old Royal Bank building in Morinville which has now been open for a week. Supporters and interested people may call in any time between 9 a.m. and 9 p.m., or telephone collect to 256-3550.

Mr. Richard Wheatley, a lawyer from St. Albert is campaign manager for Mr. Chalifoux and Mr. Ray Gibbon, also of St. Albert is his finance chairman.

District Couple Wed 50 Years

MR. & MRS. JOSEPH LESBURG

On the occasion of their Golden Wedding Anniversary, April 9, 1968, Mr. and Mrs. Joseph Lesburg were honored by their four children, Mrs. Madeline Kremer, Mrs. Dorothy Brosseau, Edmonton; Mrs. Clara Beheil of Morinville and

Albert Lesburg of Villeneuve and their respective families with 24 grandchildren and five great-grandchildren and a large number of relatives and friends in attendance.

The jubilarians reaffirmed their marriage vows of

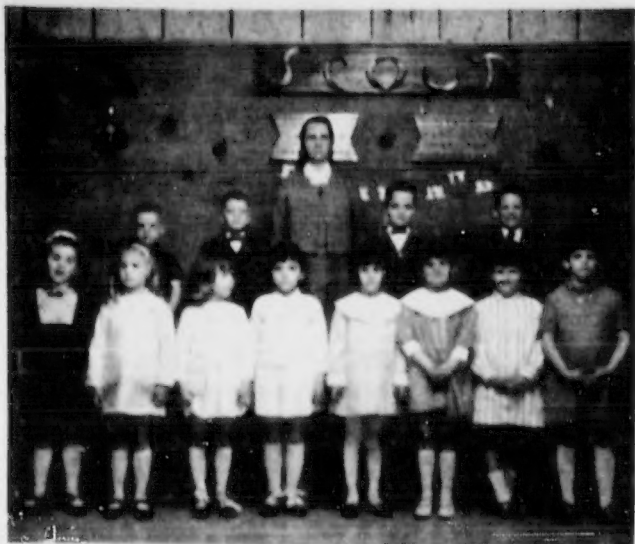

50 years ago at a special mass celebrated by Rev. Father Denis Hybert of Trochu at St. Anthony's Church in Edmonton. The couple was accompanied to the altar by Mr. Cyril Borle (bestman of 50 years ago) and Mrs. Cyril Borle, Mr. Jos. Verhulst and Mrs. Alice Ringuette.

Mrs. Lesburg chose a blue silk shantung dress with jacket for the occasion. Her hat was of blue tulle to match and a fur cape complemented the ensemble. She wore talisman roses en corsage. Mrs. Borle's dress was blue with matching jacket. Mrs. Ringuette wore a royal blue dress over silver sheath. Their corsages were also talisman roses.

A family dinner was held at the farm home of their son Albert, where some 50 members of the immediate family gathered to congratulate them, and to reminisce the past 50 years.

Mrs. Lesburg came to Edmonton from Ostende, Belgium, in 1906 at the age of 18 and worked for the rail-

Preschoolers Entertain in Legal

On May 2 the playschool pupils under the direction of Sister Aurea Corveau held their culmination concert at the recreation centre with Rachelle Nault announcing.

The hall was filled to capacity indicating an increasing interest in playschool activities in this community. More and more parents realize the advantages derived from such training. The children entertained the audience with songs recitations, action songs in French and English, rhythm band, and tap dance numbers.

Mrs. Rogelle Boissonneault on behalf of the parents thanked Sister Corveau

for the wonderful work accomplished with their children during the year. Petite Susan Maurier presented Sister with a purse on behalf of the pupils.

Sister then thanked the parents for working together with her and for their co-operation. She also told the parents to encourage their child to write and color every day so they won't forget what they have learned before they start school.

Achievement cards and certificates were presented to the pupils by Father Ricard.

A delicious lunch was served by the ladies and young girls.

Attention Hockey Players

LEGAL - Registrations for a Summer Ice Hockey Camp at the University of Alberta are being taken now by Rene Maurier. This is a one week camp to help each boy with the fundamentals of hockey as well as skating practices etc. Instructors will be Clare Drake and

Roger Bourbonnais. Boys from eight to 18 years of age are eligible.

The cost is \$30 per session. A choice of time is available from either June 23 to 29, June 30 to July 6 or July 7 to July 13.

For further information contact Mr. Rene Maurier.

J.E.M. Hold Concert

LEGAL - May 1st, at the Legal School, was the day for the culminating activities of the organization, "Jeunesse En Marche", (J.E.M.) The grades four to six successfully prepared and presented an evening of enjoyment for their parents and friends

The pupils motto was "J'ai de Vivre", (The Joy of Living), which they showed very well throughout the program. The parents and friends enjoyed hearing and seeing the children working together.

The pupils served coffee, koolade, and donuts to their parents and friends.

to attend their May 16 meeting.

A letter from Apex Gravel Ltd., requested permission to haul 54,000 pound loads on the three miles known as Evergreen Road. Council granted permission to haul maximum load limits of 54,000 pounds to tandem trucks on this road, provided the company accepts the following responsibilities: entire cost of graveling the three miles; entire cost of dust control and maintenance with motor grader, and damage claims caused by falling rocks from loads onto travel portion of road while hauling gravel.

Council heard letters from T. H. Cowtan and C. R. Collier of the Imperial Oil Plant in regard to dust control on the East Gibbons road. Public works committee was authorized to investigate and proceed with a dust control program immediately on this road.

A motion carried to rent the municipal house to Mr. Roland Desnoyers commencing April 3 the public works committee was authorized to install town water in the house, Andy's Excavating and Hauling quotation on the said installation was referred to the committee for consideration.

Council approved the proposed plans of Inland Cement Industries on the approach to 156 Street, as submitted by Mr. Cheeseman, chief engineer for Inland Cement.

PUBLIC RELATIONS REPORT

Chairman Wilson reported to council that the committee had not finalized its recommendations on salaries for municipal employees for 1968. He further reported that he had no recommendations at present in relation to the municipality's membership in the Edmonton Area Industrial Development Association.

A letter from the Gibbons Chamber of Commerce was heard by council requesting their support on a presentation to be made to the minister of highways to ensure paving Highway 37 from High 15 to Highway 28 north of Gibbons plus the road east of Gibbons to the Imperial Oil fertilizer plant. They are also requesting upgrading of Highway 15 from the city limits to junction of Highway 37.

Council will support the Gibbons Chamber only where the brief applies to paving Highway 36 and upgrading Highway 15. Therequest for paving Each Gibbons Road will be recommended to be delayed, as such

is the Municipality's responsibility and presently a dust control program by oiling this road has been undertaken.

Mr. Wilson was appointed municipal representative on the delegation to meet the minister of highways.

Mr. B. Meulenbeld of Allied Land Services Ltd. attended the meeting in order to provide additional information to council on the proposed pipeline right of way. He informed council that it would be a 20" crude oil pipeline from Fox Creek to Edmonton, and the said proposed pipeline will be located, where practicable, adjacent to the existing line.

Moved that council approve the proposed plans submitted subject to the following conditions;

1. Pipe to be located at a set back of 100 ft. from the property line.

2. Satisfactory agreements have been reached between the property owners and the company.

3. The company pays this municipality the sum of two hundred dollars per ditched road crossing for the cost of future maintenance of the same.

4. The road crossings are to be bored and cased thus allowing others to be ditched and cased (or use of heavy wall pipe);

5. The road crossing at W/SW 3-55-25-4 is allowed

to be ditched and not cased.

WATER RESOURCES

Mr. A. Strome, Mr. Hilton and two engineers of water resources division attended the council meeting. Mr. Strome explained to the members the different water drainage programs administered by his department such as farm surface drainage which involves one or two land owners, the water division assistance program for 1968, in relation to this municipality.

DRAINAGE

Mr. Strome stated that his department was prepared to proceed with the Toane Drainage project this year and advised that the people involved should be contacted as soon as possible by the councillor of the area concerned.

The council was informed that the County of Barrhead was going ahead with the Gilbert Drainage project and would maybe require financial assistance from the M.D. of Sturgeon for the installation of a large culvert on a road of this district. Council agreed to this cost.

Mr. Strome informed the council that the Lily Lake drainage project is to be

left in abeyance until the people involved agree themselves to water resources proposal.

LEGAL FLOOD CONTROL

The project is also to be left in abeyance until the drainage proposal in the M.D. of Westlock is finalized.

Mr. Strome also stated that his department for 1968 had allocated approximately \$30,000 to this district.

An engineer of the Water Resources department outlined of what consisted the Sturgeon River Basin, the extent of the study involved land and roads and lakes involved in such a basin.

The council thanked Mr. Strome and the engineers from his department for having attended the meeting.

It was moved that council establish a general policy of cost sharing on the various drainage projects to be as follows: Federal Government 37 1/2%, provincial

government 37 1/2%, municipality 12 1/2% land owners benefitting 12 1/2%.

NAR CROSSING

Council approved the municipality's participation in the cost of installing and maintaining of the NAR level crossing west of Morinville (mileage 21.63 Edmonton Subdivision).

Calgary Power plans for a proposed 7620 volt, three-phase line from Bon Accord to Gibbons were approved as submitted.

Proposed Farm Electric Services extensions in the Mearns R.E.A. were approved according to plans submitted.

Council approved the bridge authorization for a proposed railway underpass on Highway 37, half mile north of Gibbons.

Plans were submitted to the council in relation to a proposed construction of a twelve inch high pressure natural gas pipeline (8 miles) in the Fort Saskat-

chewan and Redwater area by Northwestern Utilities.

Council approved the plans subject to the following conditions.

1. Pipe to be located and have a set back of 100 ft. from property line.

2. Satisfactory agreements have been reached between the property owners and company.

3. The company pays this municipality the sum of two hundred dollars per ditched road crossing for the cost of future maintenance of the same.

4. The following road crossings are to be bored and cased thus allowing others others to be ditched pursuant to the above mentioned conditions: W/NW 33-55-22-4; S/SW 18-56-21-4; W/SW 17-56- 21-4.

Letter from the secretary treasurer of Legal was read to the council requesting that the towns and villages names be painted on the municipal fire trucks. It is not the council's intention at present to have the names of towns and villages painted on the doors of the fire trucks.

A.G.T.

Plans of Alberta Government Telephones buried cable on Speedway Park on 127 Street were presented to the council. Council approved the proposed plans subject to the condition that any road crossings be bored through and not ditched.

Speed limit in the hamlets of Calahoo and Villeneuve were increased from 25 mph to 30 mph, and signs are to be erected accordingly.

Council authorized the department of highways to haul gravel on municipal roads from this municipality's stockpile southwest of Villeneuve, to the Alexander Reservation.

The council agreed to table the 1968 budget estimates for a later date to be set by the reeve.

PUBLIC WORKS

The superintendent of public works was authorized to commence road construction work at the Coronado CNR underpass as soon as road conditions permit.

Coronado UCW

The monthly meeting of the Coronado U.C.W. Unit #2 was held on Wednesday May 1st, at the home of Pat Briggs with eight members and two visitors present. The meeting was called to order by the president, Annie Chipchar, who also gave the worship. Each member answered the roll call with a tea towel as a donation to the church. Jan Smith volunteered to write a letter to the Unit's foster child.

Much discussion followed about the Mothers' Day tea, bazaar, bake sale and plant sale to be held at the Coronado Church Hall on Saturday May 11 from 2 - 5 p.m.

It was decided to hold a community Tupperware party on Wednesday, May 29 at 8:00 p.m., in the Coronado Church Hall with proceeds going to Unit #2. Everyone is welcome to attend. It was also decided to loan the Sunday School choir gowns, tables and chairs to the Gibbons Sunday School. A tasty lunch was served by Annie Chipchar and Betty Hofs. The next meeting will be held at the home of Helen Hughson on June 5.

RANCH

640 acres located in the heart of Alta's Cattle Country. Loading barns and additional corrals have been built since the taking of this picture. To winter 800 cows, Automatic waters and self feeders, 2 silage pits. Also a 30 x 60 metal garage has been built. The house is a 5 bedroom home with plumbing and oil furnace. The farm is fenced and cross fenced with 3 & 4 barbed wire and some page wire. 600 acres seeded down to tame grass with ample water on all 1/4 s. Several quarters joining this could be leased for summer pasture. The above property is located 45 miles west of Edmonton on Hi'way sixteen and 1 mile north.

FEED LOT

Located on Hi'way 16 at Gainford. A well planned lot on 84 acres of land. A well constructed 200 ft. loading barn, with built-in self-feeders on a cement floor and foundation. Roof is built with railroad iron cross studding. Designed for overhead feeding and storage. Automatic waters through out 2 covered silage pits. Ample feed storage bins adjacent to main roller mill. A well constructed barn joins the lot on the north side. A large garage not included in photo. Set of gov. inspected Fairbanks Morse scales set up to handle livestock or trucks. The house in the background is a 3-bedroom home with double plumbing and oil heat. Hi'way 16 divides the property leaving a few acres on the south side of the Hi'way with an underground passage. Designed at the present time to handle 1200 head with room to expand to 5000 without too much added cost.

AUCTIONEERS NOTE -

The ranch and feedlot will be sold separately. A lot of time and planning have gone into the above two properties. They must be seen to be appreciated. The cows represent one of greatest Hereford herds of this size to be sold by auction. They are all young, good framed and healthy cows with strong calves at foot and will be sold in groups of 5 to 10. They will all be penned and numbered prior to sale time, to avoid any mix-up while selling and loading out. The trucks and machinery speak for themselves, well maintained and ready to go.

Plan now to attend as this will be the largest Farm and Ranch Auction ever held in Alberta.

Real Estate sells approximately 1 p.m. Lunch Available

Namoo Awards Made at Banquet

The Namoo School and Community League and Rink Committee held its 2nd annual sports windup and awards night on May 1 in the banquet room of the Ros-slyn Hotel. Following a delicious smorgasbord, Mr. Don Potter, president introduced the head table guests. It was a great honor and privilege to have as a guest speaker Mr. Al McCann, well known sports director for C.F.R.N. He reminded the boys and girls of the importance of getting an education while participating in sports and said that it was becoming increasingly easier to do so.

It was also a real treat to have present Mr. John Crozier of Namoo, a former great athlete who brought much honor to Edmonton during his athletic career and whose name now stands in the Hall of Fame. Mr. Crozier was reminiscent of sport in the past years, in a crowd pleasing talk.

There were many hockey awards presented. Mr. P. Sutton and Mr. A. Sawchuk honored their 'Mite' team by calling them forward. Mr. Leonard Crozier and Mr. Bob Stanton introduced their Pee Wee hockey team, who were undefeated all year. Miss Colleen Crozier the Carnival Queen presented the Highway 28 league trophy and a trophy for a tournament at Lancaster Park to the captain Les Crozier. Mr. Leonard Crozier presented the most valuable player awards also to Les who had a most outstanding record of goals scored during the season. Crests were presented to the players who in turn presented a small token of appreciation to their coaches.

Mr. Reg Crozier, coach of the Bantams introduced his team which was also undefeated all year. Captain Bill

Akerman accepted the Earl Tone Bantam Highway 28 league trophy on behalf of the club from the reigning queen.

He was also presented with the most valuable player award for an outstanding performance all season. A presentation was made to Mr. Crozier from the team in appreciation for the time and effort spent on their behalf.

The Senior hockey team was introduced by its coach Mr. Clayton Crozier and Mr. Harvey Ash. The Bob Jeffery Memorial trophy for the most valuable player was presented to Tom Crozier. Mr. Crozier received a presentation from his team as a token of their esteem.

The introduction of the Junior boys basketball team was made by Mr. R. Lietz, the coach. The Sturgeon league trophy was accepted on behalf of the team by Captain Bob Crozier and a token of appreciation was presented to Mr. Lietz by Ken Crozier.

Darrel Sawchuk, nine years old winner of the Alberta Judo Championship for the 60 lb and under class was also on hand to receive congratulations.

Mr. Max Yeeke and Mr. Ted Samis introduced the Juvenile baseball team, and presented the Hugh and Clayton Crozier trophy to Captain Tom Powell who also won the most valuable player award. Bob Samis thanked the coach and made a small presentation to him.

The coaches and rink committee received a hearty vote of thanks from all present, for without their untiring efforts, there would not be the many sports activities in Namoo that there are.

Everyone thoroughly enjoyed the evening and Namoo is looking forward to another good year of sports.

PC's

Nominate Monday

The Progressive Conservative nominating convention for Pembina will be held in the Westlock Memorial Hall on Monday, May 13 at 8 p.m.

A lively convention is assured with four contenders going after the nomination. In addition to Jack Big, who formerly held the old Athabasca Constituency, Dan Hollands of Clover Bar, Bill Horton of Sherwood Park and Rev. E. Samuel of Barrhead have indicated their intention of entering.

Each poll will be allowed one delegate for each 50 names on the latest voter's list.

Auctioneers Aid Retarded

Mr. Michael Lawrence of Armstrong and Lawrence Auctions Ltd., St. Albert, was in attendance at the annual meeting of the Alberta Association for Retarded Children, held in Red Deer last month. As Retarded Children Project Chairman for 1968 he presented a cheque for \$22,000 to the Association on behalf of the Auctioneer's Association of Alberta.

The Auctioneer's Association, of which Mr. Lawrence is also a vice-president, raised the money at a series of charitable auctions during February. These were held in regional divisions throughout the province with all the auctioneers in each region taking part. Articles for the auction were solicited from groups and individuals in each area, with anything of value being accepted. The sales took up to two weeks of hard work on the part of the auctioneer's chairman and his as-

sistants and of course the auctioneers participating donated their time and talents at the sales.

The Canadian Association for Retarded Children was the recipient this year (along with France, Great Britain and the United States) of a Joseph Kennedy Foundation award of \$25,000, for research. In comparison it may be seen that the Auctioneers group raised a very tidy sum indeed, out of Alberta alone.

An extra bonus in working on this most worthwhile project was meeting many fine and dedicated people who work with retarded children in Alberta. Mr. Lawrence said.

Violent Deaths

by J. M. Howell,
Medical Officer of Health
Sturgeon Health Unit.

During 1967 one person in every six who died in the Sturgeon Health Unit area lost his life because of some form of violence or accident. This category includes both suicide and poisoning, and six deaths were due to drowning, but by far the greatest proportion followed vehicle accidents. Twenty-three of the forty lives lost were young males up to 39 years old, whereas only four were female.

Though 1967 may possibly have been a freak year statistically it is disturbing that violence and accidents were more than twice as common a cause of death here as in the rest of the country. Right across the provinces males are twice as prone as females to violent deaths (the central provinces share near-average figures). There is a seasonal variation too with spring the bad time for suicide and the summer months most dangerous on the roads.

Home accidents pose different hazards for different age groups: Suffocation to the infant, poisoning to the young child, falls to the elderly and fire and explosives to all groups but especially the under-tens.

The number of road accidents reflects the condition of roads, and vehicles and road-users. Although the total number of deaths has risen sharply, the number of deaths per mile travelled has not been increasing. Collision between vehicles accounts for four in every ten deaths. The largest number of pedestrian accidents

occurs among children aged five to nine. In older persons alcohol plays a part in pedestrian accidents, as it does with drivers. Medical conditions which affect vehicle accident proneness, roughly doubling the risk, include alcoholism, cardiovascular disease, epilepsy and mental illness.

Hospital Equipment

The St. Albert Women's Institute has available for home use by residents of St. Albert and district the following equipment: four wheel chairs, four pairs of crutches, two canes, a bedpan and a hospital bed. There is no charge for the use of this equipment.

Persons wishing to avail themselves of this service can contact Mrs. J. M. Venne 22 Glenmore Crescent, telephone 599-7962 or Mrs. A. Cunningham, 19 Balmoral Drive, telephone 599-7004.

NDP Hopeful

Miss Anne Romaniuk's campaign for the Pembina Riding is already underway. At a meeting held Sunday May 5th, Mr. Earle Toane of Gibbons was selected as campaign manager. Mr. Norman Flach of Opal, was selected as official agent and Don Bevington was elected as treasurer. The New Democratic Party hopes are high in the new Riding of Pembina where Miss Romaniuk plans to wage a vigorous campaign. The first in a series of constituency wide meetings will be held at the home of Mr. and Mrs. Ted McLaughlin in Fort Saskatchewan, May 12 at 1:30 in the afternoon.

Legal Girl Wed in Edmonton

MR. AND MRS. WM. ELLISON

St. Joachim's Roman Catholic Church Edmonton was the scene of a beautiful spring wedding when Racheal Theberge of Legal was united in Holy Matrimony to William (Jr) Ellison of Edmonton before an altar banked with baskets of spring flowers. Racheal is the daughter of Mr. and Mrs. Jos Theberge of Legal and William is the son of Mr. and Mrs. William (Sr) Ellison of Edmonton. The double ring ceremony was performed by Father Chevrier.

Given in marriage by her father, Racheal looked radiant in a floor-length gown featuring an empire style bodice and detachable train. The silver metallic lace over taffeta ensemble captured the romantic mood of this most important day in her life. Her organza floral headpiece was trimmed with simulated seed pearls, accented with a nylon tulle bow, and she carried a bouquet of light pink orchids.

Bridesmaids Constance Theberge and Jeannette Brisson wore short skimmers in silver rayon taffeta with silver metallic lace overlay. Their headpieces were rhinestone tiaras and they carried cascades of pink carnations.

Best men were Robert Bear and Brian Beard with Bruce Talon and Robert Ellison as ushers.

For her daughter's wedding Mrs. Theberge chose a navy blue all wool suit with white accessories, complimented by a corsage of sweetheart roses.

Mrs. Ellison wore an aqua suit with beige accessories and red sweetheart roses en corsage.

George Theberge brother of the bride was master of ceremonies for the banquet and reception held at the Norwood Legion Hall. The toast to the bride was presented by Paul Brisson.

For her honeymoon to Vancouver Mrs. Ellison donned a three piece mint green spring suit accented with a detachable fur collar worn with brown accessories with a white orchid en corsage.

Following the honeymoon Mr. and Mrs. Ellison will reside in Legal.

Blue Jays Top Bowler

Citizen of Year Award Announced

MORINVILLE—A "Citizen of the Year" award will be made this year in Morinville. The announcement was made this week by the Frontier Daze executive that the Morinville Lions Club have donated the trophy and will sponsor the award. The award will be presented for the year 1967 to the citizen chosen on the basis of service to the community without thought of personal gain.

The award will be made on Frontier Daze Sunday.

Groups, organizations or individuals may submit names of candidates for the new award to secretary Mrs. Andy Meunier.

Mrs. Lorette Champagne has announced the names of candidates for the Frontier Daze Queen. The Princesses are: Miss Doreen Vervynck, Miss Anne Hughes, Miss Irene Schayes, Miss Yvonne Remillard and Miss Lea

Riopel.

Special displays to point up the district's major industry, agriculture, have been arranged. These will feature continuous films on agriculture together with farm machinery displays and demonstrations by various farm machine companies.

Mayor Stapleton will be challenging mayors in surrounding towns for the big

Shoot-Off contest for the Bull's Eye Cup. If you are able to do a little spying on "Their Worships" as they practice up over the next few weeks, you might be able to decide where to put your money in this gun-totin event. It is believed Mayor Stapleton is expecting some pretty tough competition, and Legal's Mayor St. Martin is understood to be a real quick-draw artist.

Craft Classes Filled

The St. Albert Craft Guild reports its childrens classes have been filled to capacity. Three weekly classes are being instructed by Mrs. C. Bruce and Mrs. A. Sadee. Enrolment had to be limited to 12 children per class because of the cramped facilities.

Ceramics, paintings, batik and many more articles

will go on the block at Molson's Edmonton House, Saturday, May 11 when the St. Albert Craft Guild will sponsor an auction sale at 8:15 p.m. Many Edmonton and St. Albert artists have donated work for the sale, proceeds of which will go to the guild's childrens classes.

Vimy Column

A very interesting and educational lecture on "Drugs that pose problems to society" was given in Vimy by Mr. Ray Verge and Mr. B. Worsfold from the department of youth, Province of Alberta.

National YCA week was highlighted by Grades 4, 5 and 6 building a city of joy. The junior high students have planned a Parent's day which will take place on May 10 at the school gymnasium. All parents are cordially invited.

There were 23 junior high students participating in a youth's festival "Rallye Chorales '68" held at St. Jos. auditorium in Edmonton on Sunday, May 5.

Miss Claudette Merkowsky from Westlock is now teaching Grade 3 students for the remainder of the year.

Best wishes for a full recovery are extended to Mrs. A. Landry who has recently returned to her home following a three week

stay at the General Hospital in Edmonton.

Best wishes and congratulations to Miss Mariane Regimbald who has graduated from a three year business course which she has followed at the Westlock Vocational School. She was feted at a dinner for her immediate family and relatives. Miss Regimbald plans to work in Edmonton.

Congratulations to Bobby Dubois who has obtained his Senior Matriculation from the Westlock High School.

The adult catechetics conferences for Vimy and surrounding parishes will be discontinued until after the harvest season.

Out-of-town visitors over the week-end included Mr. and Mrs. Marcel Montpetit, Mr. and Mrs. Roy Stack, Mr. and Mrs. Roger Hansen, Mr. and Mrs. Al Laplante, Mr. and Mrs. Henry Breault, Mrs. V. Frost, Mr. and Mrs. E. Laplante, Miss Carmen Dugas and Mr. Jerry Roy, Rev. F. Richard Laplante.

Costs Concern School Board

The St. Albert Protestant Separate School District No. Six held a budget meeting on Thursday, May 2, at which all members of the board were present plus approximately 20 members of the public.

The proposed budget as presented showed proposed increased expenditures in 1968 over 1967 of over three hundred thousand dollars. This increase to be off-set by an increase in the foundation program grant of \$160,000 and an additional \$145,000 by way of increased supplementary requisition on the local town council.

This increase in terms of mills means a total supplementary requisition of 22.19 mills against 9.87 last year.

The budget was discussed in length by the board members and Mr. Wiltshire presented a report dealing chiefly with staffing which would enable a reduction of approximately \$15,000 to be made. He pointed out that the pupil/teacher ratio was 17.4 and in his opinion this was the area where cutbacks could be made. He proposed: Librarians and guidance counsellors at Junior High level be reduced to half-

time; Reduced options at Junior High and High School level; Class loading be increased to 30 students for grades two to nine.

The proposed budget showed the expenditures for teachers salaries increased by \$160,000 or 23.7% over 1967 whereas the increased grants under the foundation program were \$105,000 or 12.9% over 1967.

Mr. Penrose proposed an expense budget which balanced the foundation revenues plus a 10 mill local supplementary requisition and any expenses over this

Local Walkers Terrific

It is too early to get firm figures on St. Albert walkers who turned out in tremendous numbers to support the world's hungry in the Miles for Millions march. Mayor Fowler is over \$1,000 which is outstanding.

So is the performance of the students in local schools. Sir Alexander Mackenzie's tabulation shows 62 students and five teachers completed the march for a total of \$1,570.43 for the school. Paul Kane reports 72 students walking for \$1800.

A telephone call to headquarters revealed that St. Albert had a wonderful showing but it will be some weeks before tabulations can be done. They are hoping to have all duplicate sponsor sheets turned in by May 18.

The duplicate forms may

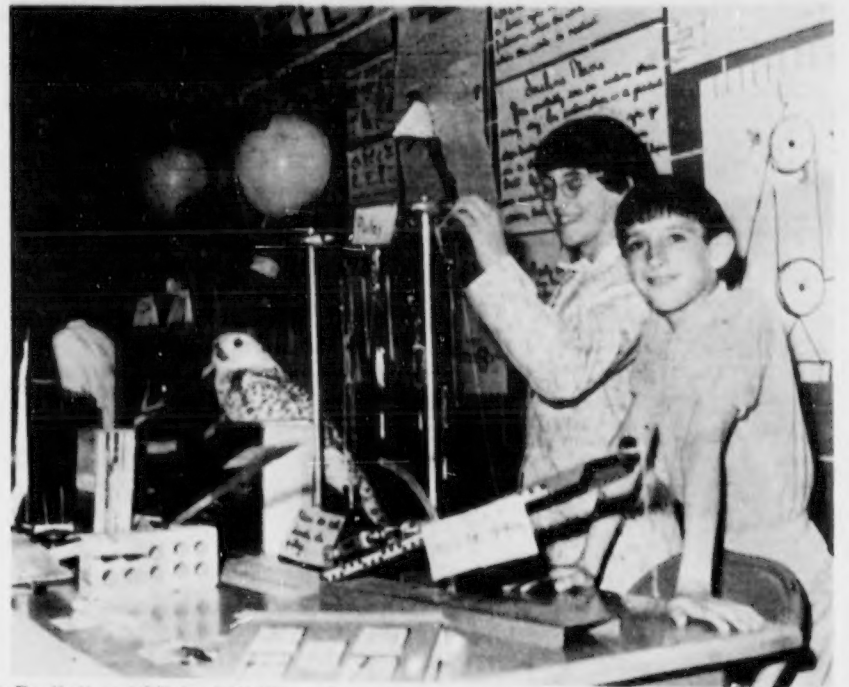

be taken to any branch of the Royal Bank.

In order to determine just what our record is, it would be appreciated if St. Albert walkers would telephone in the mileage they made and the sum they collected. It would not be possible to publish all the names, but would certainly be interesting to learn how many miles and how much money was earned from this community. Students whose schools are tabulating their own figures will not need to telephone.

Mrs. Ray Gibbon has volunteered to assist by taking the telephone calls and doing the tabulation. So please, everybody that walked for St. Albert in the miles for millions march, telephone this week to Mrs. Gibbon at 599-7614.

The St. Albert Women's Institute met April 30 at the home of Mrs. A. Houle. Guest speaker Richard G. Wheatley spoke on "Laws of interest to women, touching on wills, estates, the dower act, alimony and divorce. The meeting heard a report by Mrs. R. Henry on the constituency conference held at Smoky Lake April 6. A presentation was made to Mrs. T. Barry as the member selling the most fashion show tickets. W.I. members and all residents of St. Albert are asked to check their homes for any good used school texts and other books they might wish to donate to the people of the Inuvik area. Members please bring books to the next W.I. meeting. Other donations may be dropped off to Mrs. Dollman, 18 Sturgeon Road or Mrs. Moore, 116 Grosvenor Blvd.

Deborah Bartlett and Michael Phillips, Grade six students at Sir George Simpson, display pulleys at the school's open house.

by Hennie Stibbe

Displays varying from salamanders to Mexican ponchos, from an erupting volcano to stamp collections were featured last Wednesday evening when the staff and students of Sir George Simpson Junior High were hosts to approximately 900 persons at an open house and display.

Students provided guided tours through the brand new 40310 square feet addition to the school. Completed at a cost of \$687,469, the addition consists of a five regular classrooms, four science rooms, a two station home economics room, a two station industrial arts room, a music and drama room, a language lab, a library with ancillary room, a materials centre, a staff work room, a conference room and lounge, girls' gymnasium, an assembly room and business offices. Special equipment includes a video tape recorder and camera, overhead and film strip projectors and two 16 m.m. pro-

jectors.

The large library is a busy place. School principal Mr. G. M. Miller said between 30 and 50 students can be found there any given day between 4 - 5 p.m. Projectors and film strips may be used freely by the schools' student body which presently numbers 463. Mr. Miller heads a teaching staff of 22-1/2 teachers.

The two and half hour open house featured a busy schedule of events. The Elementary and Junior High Glee Clubs performed, the Junior High Drama Class put on a skit and physical education displays were given by girls and boys. The Centennial bands performed under the direction of Mr. Tjerry Wennes. Mr. R. H. Harvey, chairman of the St. Albert Protestant Separate School Board discussed the school band program with the parents who seemed highly interested and asked a number of questions.

Other displays included remedial reading, art, boys

arts and crafts, home economics and a host of science displays. The boys gymnasium was packed with every imaginable kind of display: including hobbies and crafts, collectors items and a large "we made it ourselves" human computer. It took us a minute to figure out the workings of this intricate machine, until the boy hiding inside the computer missed his cue and stuck his hand through an opening giving away the plot! Coffee was served throughout the evening in the home economics room.

The completion of the addition to the school does away with classes being held on the stage and in the library. It means students no longer have to be bussed to S.A.M. for home economics and shop. To the boys and girls it means no longer having to share one gym. It means a modern language lab, science rooms and a spacious, carpeted assembly hall. The bright and roomy offices are a far cry from the dark little cubby hole of before. Government grants covered all but \$72,338 of the cost of the project.

Report Suggests New Directions For Public Health

Sturgeon Health Unit Report for 1967 has been presented for 1967, by Dr. J. M. Howell, Medical Officer of Health, who took over from Dr. Elizabeth Acres in mid-August last year.

In his opening remarks Dr. Howell suggested the time may be ripe for some readjustment in priorities in the field of public health services. Nurses, he felt, can seize opportunities to develop new objectives, extending beyond physical care into questions of emotional development and preventive counselling. The early recognition of a sub-normal rate of development is important and a start has already been made with the introduction of routine checks of development at the age of nine months. A screening test of hearing

ability is included which should permit diagnosis of deafness before the age of learning to speak.

In school health work a similar shift of emphasis could be helpful. "When one considers that an average classroom probably contains two or three children with significant emotional disturbances, the amount of work becomes obvious", Dr. Howell said. "This field, though full of potential in the prevention of later mental disorders, is a difficult one in which to tread" he noted. New techniques are slowly being brought into use and consideration is being given to including a form of questionnaire directed to class teachers.

This Saturday, May 11 will see the final "Kin Cinema" show of this season. Hundreds of youngsters have enjoyed the weekly movies sponsored by the St. Albert Kinsmen. Another "Kin Cinema" is planned for this fall.

The "little people" welcome St. Albert's Mayor Fowler to their castle, a specially built and designed mobile trailer to serve their particular needs. Midget Castle is on display each day and evening this week at Grandin Shoppers Park. Admission is free but donations are welcomed to further the work of the Canadian Midget Association in promoting sport and social programs for Canada's midgets. Gazette Photo.

be presented to the board by programs and cost to enable the board to decide what must be left out and what must be retained.

He hoped by this method to eventually put the problems back where it belonged - in the lap of the Minister of Education.

Mr. Pearson also proposed - "that consideration be given to the financial advantage to the district of discontinuance of the morning and evening conveyance of

pupils." This proposal was tabled until "the results of discussions by the administration with the department regarding the changes in the transportation regulations" were known.

The board hoped by some or all of these methods to reduce the supplementary requisition to about 17 mills. But because of the few areas left to their effective control this could prove difficult or perhaps even impossible.

The meeting adjourned with the staff to review the areas outlined, and make recommendations before the board set the final budget.

The meeting will reconvene Thursday, May 9 for further discussion and will be open to the public.

arranged as follows - each session consisting of six weekly classes.

Students (11 and under) - Tuesday at 4:30 p.m. (12 and 13) Monday at 4:30pm (14 and 15) Thurs. at 6:30pm (16 to 18) Tues. at 6:30 p.m. Adults: Tuesday at 7:30 p.m. and Thursday at 7:30 p.m.

Memberships

Available

Senior teens in St. Albert can now look forward to the opening of the Sanctum. Well informed sources agree that the coffeehouse will open by June 1.

Anyone who is over Grade nine, attending St. Albert High or Paul Kane, or resident of St. Albert up to age 19 attending university or N.A.I.T. or a high school in Edmonton may buy a membership for \$2.50 effective from the date of opening for six months. The membership entitles the holder to enter the Sanctum free of charge provided he abides by the rules of behaviour set down in the constitution.

Memberships are on sale at the high schools with Albert Kennedy in charge at St. Albert High and Kerry Hawes at Paul Kane. Funds

which community health services might be developed in the prevention of chronic diseases of middle age" reports Dr. Howell. Detection by means of screening tests to permit early identification of these would lead to earlier treatment, which can often be more effective and speedier. "I am sure it will eventually be seen necessary to combine the forces of health units, family doctors and hospital services to produce an efficient system of "preventicare" Dr. Howell said. In addition to a large number of furnishings and items donated to get the coffeehouse set up, the young people's drive netted them about \$400 in cash. Much of the sorting and organizing of these furnishings has now been done and crews continue to work at the hut daily.

GIRLS' SOFTBALL

Mothers - where are you? On Monday evening 50 girls were playing softball on the downtown diamond. One man was there, Mr. Pudlowski, to coach them. He needs help badly. If you can spare an evening or two, please phone the department of Parks and Recreation at 599-6601.

SOCCER

The 225 boys who have joined the Hercules Sports Association to play soccer will be starting league play on May 14. One Midget team (15 - 16) two Bantam teams (12 - 14) two Pee-Wee teams (10 - 12) and one Atom team will be playing in the Edmonton Metropolitan Soccer League. In addition, eight Atom teams have been org-

anized to play in a house league in St. Albert. Games will be played on Tuesday and Thursday evenings.

CHARM CLUB

The evening charm club will not be meeting this week. Members will be notified by telephone regarding the next meeting.

JOGGERS' CLUB

Come on, men - join the Joggers Club, and keep happy, healthy and handsome.

TRACK AND FIELD

A coach is urgently required for Track and Field. Anyone interested with enthusiasm and some experience is asked to phone the department.

Health

Continued from Page 1

Dr. Howell stated that, as Delarue has pointed out, the abolition of cigarette smoking in Canada would do more to foster the health of the nation than any single preventive measure which could be envisaged.

The Sturgeon Health Unit covers 3,864 miles in Barrhead, Westlock, Thorhild and Sturgeon municipalities including St. Albert. Total population by federal census shows a decrease of 2,740 (5%) from 1966. The four municipal districts show a decline and smaller villages are nearly static. St. Albert (up 402) and Westlock (up 143) show the largest increases.

The report gives a comprehensive coverage, using charts, of all aspects of the health unit's work, such as immunization, communicable diseases, tuberculosis, clinics held, home and office service, school work, dental services and environmental sanitation.

Tennis Prospects Good

About one hundred enthusiastic persons registered for tennis instruction at St. Albert courts last Sunday afternoon, and lessons have been underway a week in advance of the official opening of the tennis season

scheduled this Sunday (May 12th).

Mayor Richard Fowler will hit the first ball at two o'clock to launch what promises to be without doubt St. Albert's best season ever

of tennis. A tennis demonstration by four of Alberta's top senior men will follow.

Another major event of the day is the Junior tournament to get underway at 12:30 and continue after the official ceremonies. This tournament is open to all junior members and new members may join that day to qualify for play. (Fee is \$2). Juniors will be categorized according to age, so all juniors from 9 - 18 are encouraged to enter.

Giant Rummage Sale

Plans are again underway for the "Music for Youth" giant rummage sale held each year by the Women's Committee of the Edmonton Symphony Society. All funds raised by the sale are specifically set aside for this program - and the rummage sale is by far the greatest money-making project of the committee.

The sale will be at the Sportex Building, Edmonton Exhibition Grounds, May 15 from 4 to 9 p.m. Actually it is a big rummage department store, plus raffles, door prizes, a "French Shop", a "Dollar Shop", house plant department, treasures, furniture and housewares, electrical and gardening equipment-- YOU NAME IT! Admission is 25 cents.

Note: With the generous co-operation of the provincial government the Edmonton Public School Board and the Edmonton Separate School Board, last season there were 170 in-school programs given during school time to approximately 220,000 school children. "Adventures in Music" programs were given for both Edmonton and Rural schools. The Women's Committee continued their scholarship program at the University of Alberta and memorial scholarship award at the Kiwanis Musical Festival.

When the National Youth Orchestra travelled across Canada in August of 1967 and beginning with Expo, played in seven major cities they are proud of the fact that of the 100 young musicians, seven were from the Edmonton area, and of these seven, four had been winners of Women's Committee scholarship awards!

Attend this mammoth rummage sale for bargains for yourself and you will help young musicians as well.

Cyclists Plan Novel Event

The Northern Wheelers are sponsoring a first in cycling events for the Edmonton area next Sunday. An Australian Pursuit has been arranged from St. Albert to Morinville and back, a distance of some 22 miles. Riders are dispatched in groups at intervals, the faster ones first and the groups work as teams, trying to overtake each other in "pursuit". It is understood St. Albert's Bill Baart is going to have a go at this event.

Men!! Could you do with some outdoor exercise? No, we don't mean cutting the grass. The St. Albert Little Canadian League Baseball is in dire need of umpires for their games to be played in St. Albert Monday and Wednesday evenings at 6 p.m. If you can help please call Jack Garrett at 599-6856.

Last Sunday the Victoria Cycling Club held two races in the morning on Highway 16 West. Frank Lutke with a time of 1:00 17 took top honours for Victoria, closely followed by another Victor, John Bryan with 1:00; 44. Calgary's Gary de Jong was third with 1:14.

In the afternoon the Northern Wheelers held a ten mile time trial on St. Albert Trail, won by Peter McCaffery with 28:10. Bill Carveth was second with 31:37 followed by Greg Yarkie with 31:50. Jack op der Heyde of St. Albert was doing a good ride, but two bouts of mechanical trouble pushed into fourth spot. A Velo Sport rider, Lawrence Symon also took part.

Mr. McCaffery reports that handicapping on this year's times is being completed this week.

the Gazette REFLECTS

Every day now, in newspapers, radio or TV at some time, under some form, the cost of education makes headlines as becoming one of the most pressing and difficult problems facing governments at all levels.

Very often we read of other people's problems and they don't seem to mean too much until we are faced with them ourselves and then for the first time they become real.

This has now happened to the residents of St. Albert. And we are faced with a school supplementary requisition, that will increase our taxes this year by approximately \$10. per month per home in the town. And the further prospect of a similar or greater increase next year.

Clearly increases such as these are beyond the financial capabilities of the majority of residents to continue to pay.

Yet we are told by both the local school boards and the town council that their hands are tied and there is nothing they or the residents can do.

If this be true then the democratic voice of the people is gone, and the labourer has no longer any control over his own destiny and worse still, any control over his own earnings.

But we do still have a democracy. School board, councils and governments are elected by the people and the only source of revenue for these governing bodies is from the people. Therefore, let the voice of the people be heard before it is too late.

The school board say they cannot live with the foundation program. This is the same foundation program the government introduced with such fan-fare as the solution to all the education ills and needs.

Someone is wrong.

And while the fight goes on as to who is wrong, the taxpayer gets bled white.

Let us have an end to this. Either let the provincial government dispense with school boards and take over the entire educational program for the province, or let them give the boards back their autonomy so that they can set levels of education and costs compatible with local conditions.

Regardless of how this matter is resolved, one thing is clear, the A.T.A. like many other unions before them are pricing themselves out of the market. A 14% across the board increase for all union members which in this case, means an average increase of \$1000 per year cannot be justified.

This increase takes no account of performance, productivity, competence or anything else. And while there are many well qualified, competent teachers who deserve this increase, in a system where approximately 30% of the teachers have no university degree, there must also be many who do not. In the St. Albert Protestant school system out of 117 teachers at December 31, 1967, sixty had university degrees and fifty-seven had not.

It is only this year that the A.T.A. raised its standard, to include some university training. Before this all that was required was a Grade XII education, exactly the same qualification as that required to obtain a job with the town as a garbage man.

Let council try refusing the requisition. This would again focus attention on the helplessness of municipal governments, local school boards and the ratepayers, in such a situation. Combined, continuing, intensive pressure should be brought to bear by these groups on the provincial government, who are responsible for education.

The A.T.A. has a powerful union voice. The province is firmly in the driver's seat. But ratepayers are paying the shot and as voters they are the largest numerically of the groups involved.

On the Teen Scene

Twelve students each from S.A.H. and Paul Kane, accompanied by two teachers, will be leaving July 26 for the Montreal area on the student exchange program. They will be living with Quebec families and plan to tour the Expo site. Twenty-four exchange students from Sydney, Nova Scotia, will visit St. Albert this summer.

The House trophy will be up for grabs when Paul Kane holds its track meet, Wednesday, May 15. Leacock House and Service House have captured the shield in previous years and are expected to face a pretty tough competition from the other houses this time around.

The "Fritzel Street Friends" will be at Paul Kane May 17 for the school's final dance of the year.

St. Albert High's Spring Prom will be held this Friday at the St. Albert Community Hall. Highlight of the evening will be the crowning of the Prom Queen.

Both high schools have been strictly blisterville the past three days. . . Dozens of students took part in the Oxfam March last Saturday, and the results can still be felt!

Grades nine and 12 at S.A.H. are getting in shape for the departmentals in June by having a crack at

A ladies spring bowling league is now in progress. Six more bowlers can still be accommodated. The league bowls Wednesday afternoons at 1:30 at the Grandin Lanes and runs through June 26. Interested ladies are asked to contact Donna Lynch at 599-8977.

The St. Albert Evangelical Church Lutheran League plans a special day for "our mothers" May 12. An important work meeting will be held Saturday, May 11 at 3 p.m. at the church. All leaders and students (12 and over) are invited to attend this eventful day!

last year's exams.

Father U. Duchesneau of S.A.H. has been discussing a most interesting summer program. A number of students have already signed up to work in the community of The Pas, Manitoba, over the summer holidays. Students will assist the underdeveloped community by working in kindergartens, construction projects and just about anything else that needs doing. Sounds like a most worthwhile project.

The weekly Gallup poll at Paul Kane showed that 72 students started the Miles for Millions March and over 90% went the full distance! Paul Kane students earned more than \$1800 for Oxfam!

People make News

The Edmonton Journal has announced the appointment of Douglas Millroy, 65 Sunset Boulevard as assistant city editor.

Nineteen St. Albert youngsters walked a five mile route through town Saturday and earned more than \$90 for Oxfam doing so. Organized by Jenny, 9, and Ian, 8, the children of Mr. and Mrs. J. Bakker, 25 Grosvenor Boulevard the youngsters were sponsored for about one dollar per mile by their neighbours.

Dr. Norman G. Dolman, 55 Grosvenor Boulevard has been nominated to contest the new Edmonton centre riding for the N.D.P., in the June 25 general election.

Janice Schellenberger, 36 Gordon Crescent, tied for second place in the electric organ (12 and under) competitions at the Kiwanis Music Festival April 29. Janice received a mark of 84.

The engagement has been announced of Susan Beatrice daughter of Mr. and Mrs. Richard McGee, 7 Belmont Drive to Joseph Brent Vallie son of Mr. and Mrs. Joseph Vallie, 13 Gaylord Place.
